Re: Closure of Administrative Order
Docket No. SDWA-8-2001-22
PWS ID #WY560 0736

Dear Mr. Vantrease:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket Number SDWA-8-2001-22, issued to Hogadon Ski Area Public Water System on June 21, 2001. The EPA has found that you have no recent violations of the Safe Drinking Water Act so we will close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 CFR Part 141. More specifically, a review of your records indicates that we have not yet received the required annual nitrate analysis for 2003. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$27,500 per day of violation.

Thank you for your attention to this matter and for your continued compliance with the regulations. If you have any questions related to this matter, please contact Eric Banghart at (303) 312-6971.

Sincerely,

SIGNED

Diane L. Sipe, Director
Technical Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
